Key Artists

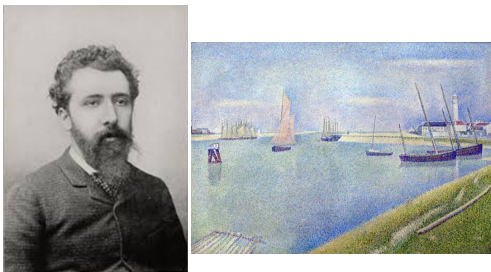

Piet Mondrian was a Dutch abstract artist who lived from 1872 - 1944.

Henri Matisse was a French artist who lived from 1869 - 1954. When he was unable to paint anymore, he created pictures using cut up pieces of paper (collages).

Wassily Kandinsky was a Russian abstract artist who lived from 1866–1944. He used art to express his feelings and emotions.

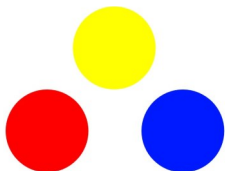

Georges Seurat was a French artist who lived from 1859 - 1891. He created pointillism, which is making paintings using dots of paint.

Key Vocabulary

abstract art

Abstract art has no subject and is made up of shapes, lines and colours.

primary colours

The Primary colours are red, yellow, and blue. Primary colours cannot be made from mixing colours together, but they can be mixed together to make other colours.

save

Keeping your work so that you can add to it another day

spiral

A shape of a continuous, curving line that forms circles around a centre point.
