Russells Hall

2026-2027

Enrichment experiences are special events designed to spark excitement and curiosity as children are introduced to a new topic or throughout their journey. It's all about creating a memorable, hands-on experience that hooks them in, whether through drama, role play, themed activities, or surprise visitors. The aim is to ignite their imagination and enthusiasm, setting the tone for deep, meaningful learning throughout the topic.

For any dress-up or themed days, please do not feel the need to purchase anything new. We encourage children to wear something they already have at home, choose a pre-loved item, or wear something that is close to the theme.

We have worked hard to keep costs as low as possible to ensure the experience remains accessible and fair for all families. Thank you for your continued support through voluntary contributions towards trips and visitors.

THANK YOU FOR YOUR SUPPORT!
